

COUNSELLING TEAM

BHAGINI NIVEDITA COLLEGE
UNIVERSITY OF DELHI

Dear Students

Due to the unprecedented situation of social distancing and lockdown as preventive measures to avoid the spread of the pandemic COVID 19 many students are facing difficulties to cope. This challenging phase has led to emotional and psychological issues including anxiety, panic attacks, loneliness, helplessness, confusion and depression, to name a few.

Bhagini Nivedita College is here with you in this challenging phase and is committed to address your psychological and emotional concerns. We will work collectively with our students and ensure good mental health and well-being of each of our students.

The counselling team of teachers will be available daily from 8am until 8pm over the phone. You can email your concerns, if you so wish, and the team members shall revert back.
